

# Recycling for Events

Do you have a big event coming up? Are you looking for a way to ensure your event is clean and green?

Take the hassle out of event recycling and support the development of local youth by donating your empty recyclable containers to your local Scout Group.

Donating your recyclables is as easy as:

Dropping off empty containers at your local Scouts Donation Site.

OR

Contacting your local Scouts Group to arrange collection during or post-event.

By donating to Scouts, you are:

- **Helping the Planet:** Caring for the environment in a practical and tangible way by taking recyclable rubbish and keeping it out of landfill.
- **Helping Yourself:** Reducing costs of recycling pick up services, while giving your event a clean and green reputation.
- **Helping Scouts:** All funds raised by your local Scout Group are returned to the community in support of Scouting programs to develop young people. Through Scouts, young people learn respect and courage; develop confidence and resilience, and become experts in creating a greener, more sustainable future.

Thank you in advance - your support makes a significant difference to the lives of young people in our local community, many of who will become our community and business leaders of the future.

For more information about the Scouts Recycling Scheme and how you can support Scouts, visit:
