# 13. EMOJINARY

## Type of Challenge:
This is a Patrol Challenge that can be completed online over a video platform such as Zoom.

## Resources Required:
- Patrol members
- Zoom (or equivalent) on a digital device
- Pictionary words – emoji style

## Challenge Description:
Long distance is no reason to stop us from playing the penultimate game of Pictionary – with a twist! Your patrol is to jump online and play Pictionary together. However, instead of drawing the words, you are to use emojis to help your team guess your word. If you need to know more about the rules of Pictionary, just google it!

## Evidence Submission:
To complete this challenge, you need to submit an image of your patrol playing 'Emojinary' and some of the emoji-based clues with words you had throughout the game.

## Example Submission:

Artists/ bands
