

# 35. DOUBLE TIME

## Type of Challenge:

This is an Individual Challenge. We need to review how you would set up your campsite in your own backyard (or if camping with others, the campground) only in double time. What a great way to get back into the outdoors!

## Resources Required:

- A recording device or computer
- Tripod?
- Tent
- Camping Equipment
  - Sleep Mat
  - Sleeping Bag
  - Pillow etc.

## Challenge Description:

Get ready with your recording device, tent and camping equipment but before you hit record, change the setting to time lapse! Let us see how fast you can set up your campsite! For your submission we need you to upload your video – bonus points if you can make us laugh

## Evidence Submission:

Upload a copy of the presentation or video

## Example Submission:
