

37. MOCKTAIL MADNESS

Type of Challenge:

This is an Individual or Patrol Challenge. This challenge can be completed as a patrol or by one person in your patrol, but completing it together is a lot more fun!

Resources Required:

- Fruit juices of your choice
- Ice
- Fruit
- Glasses for serving
- Cocktail shaker or blender (if needed for your mocktail)

Challenge Description:

Have a go at bartending and create a mocktail of your design that embraces some yummy and unique flavours. The catch with this task is that each ingredient in your mocktail has to have a meaning attached to it, an explanation as to why it was included. This could be associated with the flavour you're trying to create, or a more metaphorical meaning. The mocktail should have a minimum of four ingredients. Create a fun name for your mocktail (the punnier the better) and enjoy!

Evidence Submission:

Submit a word document with the list of ingredients with the meaning written next to it, a photo of your mocktail and your unique and fun name for it. You could even include a photo of yourself drinking your creation!
