# A Guide to ARPs in Scouting

## What is an ARP?

An Annual Report Presentation (ARP) is an opportunity to:

- Thank the Leaders for their work over the past year.
- Celebrate the successes and review the learning of the Group and its Youth.
- Showcase the work that has been achieved by the Youth.
- Understand the financial strength of the Group.
- Promote the Group to others.
- Introduce the office bearers.
- Allow Group Members and Supporters to come together, share ideas and offer suggestions for the year ahead.

An ARP is as much about the year ahead as it is about the year past. To ensure a memorable and satisfying event, thought must go into its planning and preparing.

## Why do we need an ARP?

It is a requirement of the Charitable Fundraising Act that, at each level, the financials of the Scout Association will be audited and tabled at that level's ARP. Therefore, an ARP must be informative. We have a responsibility to the parents and Youth to explain where we have been and where we are going.

## Where and when do we hold an ARP?

Usually, an ARP is held at the Group Hall, though this is not mandatory. It could, for example, form part of a wider activity like a family camp.

ARPs are usually held in between Feb and March and no later than **30 April**.

## Who should attend?

While an ARP in Scouting is not usually open to the public, a wide audience can and should be involved. Here are some suggestions:

- Parents or guardians
- Leaders
- Committee members
- Supporters (especially local dignitaries)
- Other Scouting representatives
- Youth
- A Member of your Region Team

## What must be covered?

Here is a sample Agenda:

- Welcome by the Group Chairman
- Apologies
- Minutes of the Previous ARP (for acceptance)
- Summaries of written reports from Group Chairman, Group Treasurer, Group Leader and Section Leaders
- Adoption of the Group Annual Report
- Introduction of office bearers

- Appointment of the auditor
- Presentation of awards
- Opportunity for invited guests to speak.
- Guest speaker
- Close

Throughout the process, the Group Secretary must record minutes.

## Appointing office bearers

It is preferable that all office bearer positions have been appointed and the registration of committee members have been completed and confirmed prior to the ARP.

A minimum requirement is to have:

- Chairperson
- Group Secretary
- Group Treasurer

It is preferable that you also have:

- Deputy Chairperson
- Trustees (ideally two - one uniform and one non-uniform)
- Public Relations Officer
- Hall Bookings Officer
- Group delegate to the Region Council

The role including functions of the Group Support Committee is set out in Scouts Australia [Policy and Rules R4.7](#)

Any office bearers who are stepping down will be transferred to Adult Helper if they have registered for the Trek.

## WHS Requirements

Whilst you are organising all the documents for your ARP it is also the perfect time to ensure your hall has all the required WHS documentation updated and displayed.

Every Scout Hall and Activity Centre should have the following WHS documents clearly displayed.

- Annual Fire Safety Statement
- Emergency Evacuation Diagram
- Emergency Control Organisation – Wardens etc
- Signage above the First Aid Kit, and the name of the First Aid person, and their contact number.

Please also ensure exit signs are illuminated. If not, they require servicing.

## Paperwork

Ensure that the following are available and sent to your Region Office:

- Agenda
- Written reports
- Audited financial statements- AR1, AR2, AR3 from the [Cash Book\\*](#)
- Completed Fundraising Certificates to be returned.
- [C2 - Notification of Office Bearers](#)
- [C7 \(Rovers Only\) – Notification of Rover Office Bearers](#)
- New committee members are registered on ScoutHub

- Committee members who are no longer part of the Group are removed from ScoutHub
- [YA2 \(Rovers Only\) – Application for Crew Leader Appointment](#)
- Copy of fire safety statement – Sourced from external certifier.
- [P8 – Group Asset Checklist](#)
- [P10 - Scout Hall Inspection Checklist](#)
- Annual report - a compilation of all the content

Ensure the Group retains copies of the annual report and audited financial records for 45 years.

\*Those Scout Groups using digital bookkeeping software are also required to complete the AR1, AR2 & AR3

## Managing the Meeting

- Start and finish on time.
- Minimise the use of jargon.
- Make sure all documents are available.
- Introduce all speakers (including Leaders), as people may not know them.

## Tips for a successful ARP

Delegate to committee members and other leaders to assist in the organisation.

### Reports and Agendas

- Reports should include:
  - Overview of each Section (e.g., numbers).
  - Activities completed during the year.
  - Special achievements (remember to name Youth Members).
  - Goals for the year ahead.
  - Recognition of key people who have helped.

Consider not reading out reports word for word. Pick out the key items, share anecdotes and highlight the fun and satisfaction the year has delivered. People can read the reports at their leisure.

Consider having a break, but make sure you manage the process well. You do not want people leaving early.

## Conclusion

Things may not always go to plan. When District or Region people attend, it is OK to lean on them for help.

Review the ARP at the next Group Council and Group Committee Meeting. Ask yourself how it went, what you would change, and review any survey data you have.

Remember to reflect upon this a year later when you are planning your next ARP:

- Plan
- Do
- Review

Above all else – have fun!
