|---|--|--|--------------------------------------|---------------------------------|--------------------------|---------------------------|---------------------------------|---|
|   |  |  | Applications close                   | Scouting Essentials (LOY & LOA) | Scouting Adventure (LOY) | Scouting Management (LOA) | Scouting Leadership (LOY & LOA) |   |
| <b>Residential</b><br>   | The original and the best. This is an immersive experience where you gain the skills needed to succeed in your role, some Scouting spirit, and life-long friendships and a support network.              | Staying at a Scouting facility for a weekend in bunkrooms (and camping for Scouting Adventure).  | Four weeks before the weekend.       | ✓                               | ✓                        | ✓                         | ✓                               | Distance, work responsibilities or caring responsibilities make it hard to get the full experience. |
| <b>Non Residential</b><br>   | Lots of the same benefits of our residential courses, but in more locations closer to you.   | Non residential comes in many formats. It may be a whole weekend without the overnight stay, two full days over separate weekends or a combination of weeknights and weekend sessions  | Four weeks before the first session. | ✓                               |                          | ✓                         | ✓                               | You're traveling a long way to train and require accommodation.                                     |
| <b>Online</b><br>  | We learnt over lockdown that some Leaders get some real advantages from an online option. This is great for those who struggle to make it to a training facility for reasons of distance or commitments. | 'Be prepared' for a bit of extra homework and some online networking prior to the weekend online sessions to get the full practical experience. If courses fill up, we'll preference people who really need the online option. | Four weeks before the weekend.       | ✓                               |                          | ✓                         |                                 | You're uncomfortable with some online training or some self- directed learning.                     |
| <b>Recognition of Proficiency (ROP) pathway for Scouting Adventure</b><br> | A lot of people who get involved in Scouting are already interested and experienced in outdoor activities. We can recognise that proficiency so that you may not have to attend a course.                | You need to gather some evidence of your existing experience and complete the Scouting Adventure Recognition of Proficiency checklist. To apply for this checklist, fill out the form here: <a href="#">ROP FORM</a>           | N/A                                  |                                 | ✓                        |                           |                                 | You don't have previous experience in outdoor activities.   |
